Dan,

I totally understand. Just whenever you can get back with it will be good. Then I'll send over some notes from what we talked about today and we can move the ball forward.

Do you want to keep the call on Thursday for now or wait until after you've gotten this reviewed?

Thanks,  
Scott

Hi Scott,

Received! I will float this over to legal and get some eyes on it.

FYI, I'm traveling Wednesday and Thursday, so any business points might not get any cycles until we head into the weekend.

Thanks,  
Dan

Dan,

After our conversation this morning, it was brought to my attention that we don't have a current NDA in place between Foreman and Lancium. Attached is our standard NDA. Could you execute this and then I can send over the points from our conversation earlier today.

Give me a shout on my cell if there are any issues. I flying out of Austin here in a few.

Thank you,

Scott
